Dear Swimmers,

Congratulations on being identified as part of the 2009 Long Course Prospects ID Team. This is a new initiative that identifies 14 & under males and 13 & under females based on long course performances done between March 1/09 and August 31/09.

The main objective of this program is not competition selection, but rather to “ID” swimmers and their coaches for domestic training and testing opportunities scheduled strategically throughout the season. Swimmers will be listed on the SNC website and will receive an exclusive ID Team T-shirt and cap. I have attached the full team list here for your reference.

If you have any questions regarding this initiative please do not hesitate to contact either myself or Junior Teams Coordinator, Lori Melien.

Sincerely,

Ken McKinnon
